This detailed site plan illustrates the proposed building layout and surrounding infrastructure. Key features include:

- Building Footprints:** Several rectangular structures are shown, some labeled with dimensions like 15,000 and 5,700.
- Road Network:** A main road runs diagonally across the top right, with smaller access roads branching off.
- Infrastructure:** The plan shows various utility lines, including water supply pipes (e.g., D600MM, PVC250MM), sewerage lines, and drainage systems.
- Landmarks and Orientation:** A north arrow points towards the upper left. Various landmarks and existing structures are identified with labels such as "도호방송허가시설(정비중)" and "대지경계선".
- Scale and Title:** The title at the bottom center reads "건물배치도" (Building Layout Map). Below it, the scale is given as "축척: 1/800".

복합: 1/800
